- Families (2 or more children enrolled) and have an active duty guardian: 15% off of the lower tuition
- Only one discount will be applied per family.

Enrollment is understood to be for an entire school year, spanning from September to August (12 months to 5 years) or from September to June (kindergarten and elementary). Consequently, the child is enrolled for the school year rather than on a month-to-month basis. Months with varying numbers of school days and Winter/Spring breaks may incur additional fees. Registration and supply fees are additional and non-refundable. Payments for the year are due monthly on the first day of each month. Once the registration process has begun, a month's written notice and payment are required for withdrawal from a class. No withdrawals will be accepted from September through June without written permission from the Green Gables Board of Directors.

\$100/week credit is only offered during the summer months of July and August. Vacation time taken outside of these months are not subject to the weekly credit to the student's account.
